## “The New Standard in Wealth Management”

### *At Materetsky Financial Group, clients come first!*

Our approach to delivering comprehensive financial services always starts and ends with you, our clients. We begin this process by listening to you and discussing your lifestyles, goals, wishes, dreams and family situations. Through a consultative process we then learn the details of your financial picture so we can construct and deliver a customized plan along with your personal *Financial Action Checklist*. Our experienced team of professionals fully evaluates your situation to prepare personal solutions that integrate investment planning, tax reduction planning, retirement income and distribution planning, and family wealth planning.

We then schedule to meet with you on a regular basis to discuss and update your financial situation. We pride ourselves in our constant calendars of client services and regular client communications to keep you informed of economic news and appropriate tax law and estate planning rule updates. *As we said earlier, at Materetsky Financial Group clients come first!*

## Our Commitment To You...

**Materetsky Financial Group** was founded with the goal of assisting our clients in every aspect of their financial lives. We pride ourselves on providing prompt, personal and highly professional services. For each of our clients we strive to help create financial stability and confidence to provide financial independence.

We provide wealth management and take into account your entire financial picture and not just one part of it. This entails comprehensive advice and planning services encompassing all areas of your financial life. Our goal is to add value for our clients by reviewing all of the distinct areas of your finances to ensure their overall financial health. At our firm, we offer the knowledge, guidance, and experience to coordinate tax planning, estate planning, retirement income and distribution planning, and investment planning.

**Howard Materetsky** entered the financial services profession in the late 1970's. Since then he has seen many different markets and has developed a specialty working with retirees and those about to retire. In 1987 he started his own firm, Integrated Financial Services, in Uniondale, NY, which specialized in "Retirement Management". *Retirement Management* deals with the financial and non-financial concerns of retirees. This allowed Howard to use his experience and expertise to help guide seniors in their investment planning, insurance planning and life planning.

**Ira Materetsky** is a Certified Financial Planner™ professional. In 1996, after working with his father in New York, Ira moved to Florida and a short while thereafter Materetsky Financial Group, Inc. was established, of course specializing in Retirement Management. Both Ira and Howard are members of various associations, which include the Financial Services Institute, the Financial Planning Association, and the Academy of Preferred Financial Advisors.

**Thomas Gau** has worked with Howard and Ira since 2002. In 2018, Tom merged his financial planning practice with Materetsky Financial Group. He has been practicing as a Certified Financial Planner™ professional for over 30 years. He has a BS and MBA and is also a Certified Public Accountant. He has authored many books on the IRA distribution rules and has been quoted in various financial publications. Tom is also a consultant for various investment companies and has been a keynote speaker at these organizations.

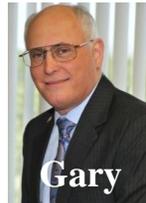

**Matthew Welsh** joined Materetsky Financial Group in 2012. Prior to joining Materetsky Financial Group, Matt attended Florida State University where he graduated with a Bachelor of Science and a Master of Science in Finance with a focus on investment valuation and analysis. Matt is also a Certified Financial Planner™ professional.

**Michael Wright** joined Materetsky Financial Group in 2019. Prior to joining the firm, Michael spent his entire career in the investment management industry. Michael received his B.A. in Communications from the University at Albany. Michael is a registered securities principal and holds appropriate securities and insurance licenses.

**Our staff consists of experienced professionals with a "hands on" approach to financial guidance. Not only are our team members knowledgeable, but our staff truly cares about making our client's dreams a reality.**
